

### High Security Residential Key Box

The 1650 Series KNOX-BOX® was developed to secure residential entrance keys. Knox® Residential is used for fire, police and medical emergency entry in gated communities, single family residences and apartment complexes. The hinged residential key box is also available with a door-hanging bracket for emergency medical access during temporary convalescence.

### Features and Benefits

- Holds up to 2 keys in interior compartment
- Ensures high security with UL® Listed Medeco lock
- Includes a Knox-Coat® proprietary finishing process that protects Knox products up to four times better than standard powder coat
- Resists moist conditions with a weather resistant door gasket
- Colors: Black
- Weight: 7 lbs.

### Options

- Door bracket for hanging over 1-7/8" door for temporary applications.

**Attention: KNOX-BOX® key box is a very strong device that MUST be mounted properly to ensure maximum security and resist physical attack.**

#### Knox® Rapid Entry System

The Knox Company manufactures a complete line of high security products including Knox-Box key boxes, key vaults, cabinets, key switches, padlocks, locking FDC caps, plugs and electronic master key security systems. For more information or technical assistance, please call Customer Service at 1-800-552-5669.
