

High Security Residential Key Box

The 1650 Series KNOX-BOX® key box was developed to secure residential entrance keys. Knox Residential is used for fire, police and medical emergency entry in gated communities, single family residences and apartment complexes. The residential key box is also available with a door-hanging bracket for emergency medical access during temporary convalescence.

Features and Benefits

- Holds up to 2 keys in interior compartment
- Ensures high security with UL Listed Medeco lock
- Includes a Knox-Coat® proprietary finishing process that protects Knox products up to four times better than standard powder coat
- Resists moist conditions with a weather resistant door gasket
- Colors: Black
- Weight: 7 lbs.

Options

- Door bracket for hanging over 1-7/8" door for temporary applications.

Attention: KNOX-BOX® key box is a very strong device that MUST be mounted properly to ensure maximum security and resist physical attack.

Knox® Rapid Entry System

The Knox Company manufactures a complete line of high security products including Knox-Box key boxes, key vaults, cabinets, key switches, padlocks, locking FDC caps, plugs and electronic master key security systems.
